# Thrasher Newsletters Index

## Volumes 14 - 23

### November 1995 - July 2005

This Thrasher Newsletters Index, Volumes 14 - 23 covers the Thrasher Family Newsletters from November 1995 to July 2005. It follows the publication of an index to Volumes I - 13 ( 1983 - 1995 ) which was prepared and published several years ago by Dorothy S. Pruett.

This index which I prepared was not intended for publication and distribution beyond the Thrasher Family Association members who were interested in having a copy for their own use. The index is certainly not a professional job, but will be of great assistance in locating 99% of those mentioned in the newsletters as well as many places, activities, written articles and people associated with the Thrasher family. .

This index does not include people that I knew had no family connection, such as some reunion speakers, men listed in military papers, court officials and so on. I did include some people that I knew were close to certain families as there might be a need to locate them at some point. I did not include authors and titles of their works unless they were family related. If in doubt, I included them.

All of the Thrasher Newsletters in this series, Volumes 14- 23, were prepared by Barbara Eger. Ten years of dedicated service to the family association deserves many thanks, and I extend that thanks to her on behalf of the TFA members!.
